

FACT SHEET: RAINFOREST ADVENTURES ST. LUCIA

ABOUT

Rainforest Adventures St. Lucia located in the highland community of Chassin offers visitors a unique opportunity for full immersion in St Lucia's vivid rainforest. Guests can choose to amble along the hiking trail eavesdropping on nature's conversations, soar up and away through the forest canopy on gondolas enjoying cooling breezes and a bird's eye view of the island's north, or they can thrill-seek, gliding from platform to platform, high on the trunks of the ancient sentries of the forest. As the island's premiere eco-adventure company, they have created tours that appeal to all levels of interest and ability.

Rainforest Adventures St. Lucia is open December to April, every day except Monday, May to November. Please contact our office for our schedule.

TOURS

Adrena-Line (3 hours)

The brand new Adrena Line zip line tour is not for the faint of heart. This exciting new tour starts off with a short hike through the peaceful forest. This quickly turns into an adrenaline rush as you scramble across Floating Stairs past Eagle's Claw, zip through the canopy from tree to tree with 18 platforms, swing from the Tarzan Swing onto Tarantula's Nest, then rappel down on the Boa Rappel to the terra firma, and finish with a ride down the Love Tandem with a partner. Then it's time to catch your breath.

Tranopy Tour (4 hours)

Zip on our secure lines through the verdant rainforest canopy, gliding from one platform to another. Top it off with a short hike followed by a gondola ride back to base camp. Opens at 9 a.m.

Aerial Tram (2 hours)

This is an aerial tram ride unlike any other, where you'll be transported in open-air gondolas right past majestic trees, brilliant clusters of multi-colored flowers and flirtatious birds. Opens at 10 a.m.

Bird Watching (4 hours)

La Souciere teems with birdlife, a draw for both amateur and serious birdwatchers. Treat yourself to a hike with our experienced naturalist guides and they'll help you spot an unforgettable array of vibrant plumage. Starts at 6:00 a.m.

Jacquot Trail

Experience the transformative power of nature as you hike through the very heart of the rainforest. This is the home of the mighty *chatannier* and the fragrant *gommier*, which play host to a dazzling display of birds and flowers.

Please note that there are other start times available upon request and for large groups.
